# How Westmore Funds Outreach

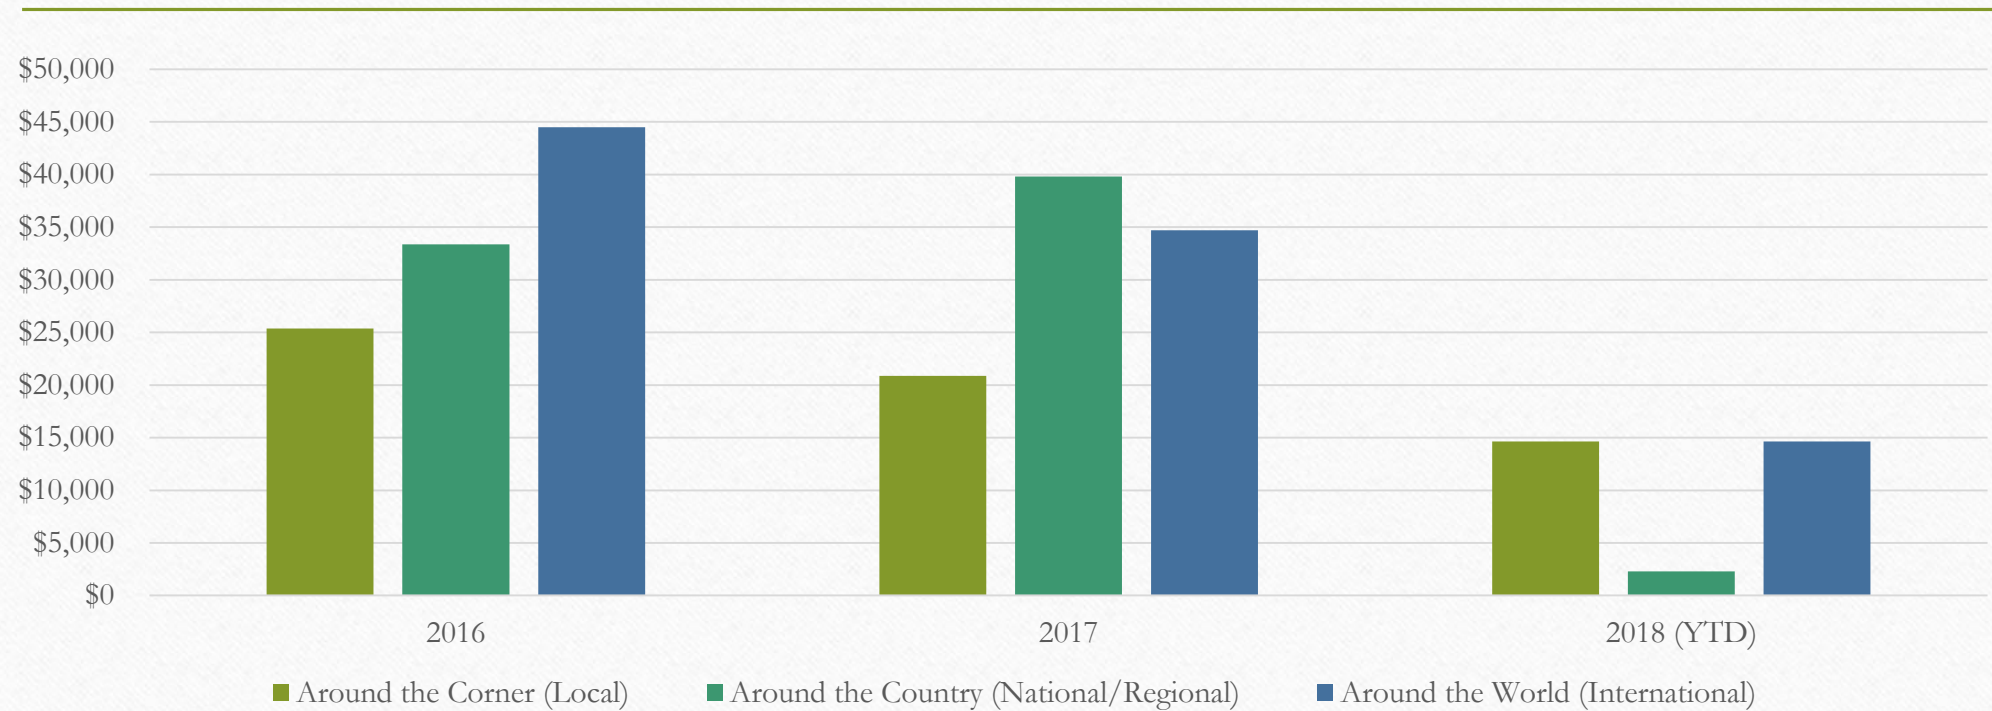

---

- Westmore focuses on projects/countries where it can make a long-term impact versus a short-term “hit or miss” approach
- This has developed into strong partnerships in every outreach category that are both effective and sustainable
- Funding proposals outside of our long-term strategic partnerships are submitted to the Global Evangelism Team (GET) Administrative Board for consideration
- Westmore’s funding priorities are reviewed every year and aligned with its strategic ministry objectives

# Westmore's Impact in Terms of Outreach

---

- Westmore is either # 1 or # 2 in per capita giving in the Church of God in terms of outreach between 2016-2018 (Source: International Missions Board)
- Per capita giving from Westmore totals \$158.32 for 2016-18 (Source: International Missions Board)
- Tens of thousands of dollars are given each year over and above the numbers in this report to projects that serve the community, the nation, and the world (Source: Internal Records)
- Dozens of Westmore Family members donate their time and money to worthy causes

**Westmore's outreach is broad and its impact significant!**
